Allies are those who support survivors in their healing, work for justice, offer volunteer time and/or financial contributions, and work to protect children from sexual harm.

FALL CIRCLE THEMES:

- The story our body wants to tell/healing touch*
- The secrets we carry/protecting ourselves & others*
- The wisdom we carry/sharing it with others*
- The landscape of grief*

We will be joined by special guest Ramona Ndlovu, MAMFT, LMT, on September 13 to launch our discussion on the story of our bodies / healing touch. One of Ramona’s areas of specialty is Trauma Touch Therapy, a noninvasive type of bodywork that allows people who have experienced trauma to release the energetic charge our bodies often hold long after the traumatic event. Wisdom Circles are safe places to which we invite survivors and allies to share their wisdom on how to stop sexual abuse and encourage healing. We use a practice of deep listening, rather than cross-talk, that allows each participant opportunity to respond to the questions posed to the Circle, mining the wisdom of the heart. Each Circle has different questions related to the theme. Feel free to attend one or more!
